Media Information

The press box at Perry Stadium is named in honor of long-time sports information director Don Cunningham. In Oct., 1992, the University honored Cunningham for 33 years of service to the athletic department in various capacities, the most lengthy as SID (1945-65). Cunningham also attended and graduated from BGSU ('43) and following his retirement in 1979 served as the curator of the BGSU Athletic Archives. Cunningham was inducted into the CoSIDA Hall of Fame in 1981. He passed away in June of 2000. In 2001, the Cunningham family established a scholarship in his honor to benefit students pursuing a career in sports information.

CREDENTIALS

Requests for working press credentials should be made to the BGSU Athletic Communications Office, addressed to the attention of J.D. Campbell. Requests should be made at least one week in advance. Late requests will be honored if space is available but parking cannot be guaranteed for requests less than one week in advance. Scouts and non-working media will be seated if space is available.

WEEKLY INFORMATION

Media members can access BGSU information via the internet at bgsufalcons.com. This is the official website for the BGSU Athletic Department. Weekly game notes and statistics will be updated regularly. A PDF version of releases and statistics can be e-mailed to those outlets which would prefer to receive this information on a regular basis. Please notify J.D. Campbell if you would like to be put on our primary media e-mail list.

MAC TELECONFERENCE

Coach Brandon will be available each Monday during the regular season on the weekly MAC Teleconference (10:10-10:17 a.m., Eastern). The number to call to join the teleconference is 913-981-5509.

WEEKLY LUNCHEON

Coach Gregg Brandon will hold a weekly media luncheon and address the media each Tuesday at noon in the third floor suites located on the east side of Perry Stadium. All members of the media are welcome to attend. Out-oftown media should contact J.D. Campbell to schedule a phone interview with Coach Brandon.

PLAYER INTERVIEWS

All interviews with members of the team should be conducted at Coach Brandon's Tuesday media lunch. Players will be made available at 12:30 to those in attendance. Please allow at least 24 hours to set up interviews with players. Arrangements will be made for telephone and in-person interviews at a time that is mutually agreeable to the reporter/broadcaster and the athlete, should there be a schedule conflict.

PARKING

A special media parking lot is located adjacent to Doyt L. Perry Stadium, near the southwest corner of the stadium. Access to the media lot is by Alumni Drive which connects Mercer Road (near the Alumni Center) and Wooster Street (near the Information Booth). Admission to the media lot is restricted to people holding

the correct credential acquired from the athletic communications office. All media members are asked to enter the stadium through the press gate (Gate 2) at the southwest corner of the stadium.

POST-GAME INTERVIEWS

At Home: Coach Brandon and BGSU players, will be available for post-game interviews in a conference room located between the two locker rooms, following the normal cooling-off period. BGSU observes a closed locker room policy. The conference room is on the east side of the stadium (opposite the press box), and can be entered through the tunnels at either the north or south end. On the road: Coach Brandon and requested players will be made available in a designated media room or just outside the locker room following the normal cooling-off period.

PRESS GATE

The press gate (Gate 2) at Doyt L. Perry Stadium is at the southwest corner of the stadium, a short walk from the media parking lot.

NEW MEDIA FIELD POLICY

A general media pass will allow you access to the field during pre-game warmups and during the final five minutes of the fourth quarter only. Field access will be limited to working photographers and television reporters. A limited number of general admission seats (end zone bleachers) are available for spouses, dates and children upon request.

PHOTOGRAPHERS

Photo passes for newspaper photographers, television videographers and, under special circumstances, for free-lance photographers, are available from the athletic communications office. Photo passes entitle the photographer access to the sideline, the post-game press conference room and the press box. Photographers must pick up an arm band in the press box prior to the game.

PRESS BOX SERVICES

Members of the media will be provided with game programs, flip cards, current statistics and last-minute pregame notes prior to the start of the game. Statistical summaries will include play-by-play, quarter stats, halftime stats, complete team and individual stats and tackles. There are two telephones in the press box for use after the game.

RADIO & TELEVISION

Requests for permission to broadcast must be made in writing. Space will be made available for the official visiting radio station and student radio station on request. There is space in each booth for four persons. Phone lines can be ordered through J.D. Campbell. Anyone wishing to televise a game from Doyt L. Perry Stadium should contact the athletic communications office at least ONE MONTH prior to the game, and preferably before the start of the season.

GETTING TO PERRY STADIUM

Perry Stadium is located just off of I-75, the quickest and most convenient way to get to the stadium. Take exit 181 off of I-75 and go west on Wooster Street. The stadium will be visible from I-75. At the first traffic light on Wooster (Alumni Drive), turn right where an attendant will direct you to the media lot. I-75 is easily accessible from all directions.

The BGSU football program has a long and storied tradition that has propelled several individuals to greater football success as players or coaches following their playing days. BGSU Hall of Famers such as Phil Villapiano (center) and Don Nehlen (middle right) are two of the most recognizable figures in Falcon history. Martin Bayless (lower right), who enjoyed a long NFL career, addressed the Falcons at a recent team function. Charlie Williams (upper center) won a Super Bowl ring with the Dallas Cowboys.

Two years ago, BGSU led the MAC with four players (Brandon Hicks, Ryan Wingrove, Chris Glantzis and Khary Campbell) Martin Bayless signing NFL free agent contracts. This past spring, former Falcon Robert Redd signed with the Indianapolis Colts.

Head Coach Gregg Brandon

HOMETOWN:
Tucson, AZ
BIRTHDATE:
Feb. 29, 1956
EDUCATION:
N. Colorado, 1978 (BA)
WIFE: Robyn
CHILDREN: Nicholas
(19), Timothy (11)

Bowling Green State University Director of Athletics Paul Krebs tabbed Gregg Brandon to become the 16th head coach in the history of the BGSU football program on December 19, 2002. He replaces Urban Meyer, who left BGSU to become the head coach at the University of Utah.

Brandon has more than 22 years of coaching experience at the Division I level, including the last two years at BGSU where he has served as assistant head coach and directed the Falcons' record-setting offensive attack. For his efforts at BGSU, *The Sporting News* selected him as the top coordinator in the Mid-American Conference.

Under his guidance, the Falcons finished third in the nation in scoring (40.8), eighth in total offense

(448.9) and 15th in rushing (219.1). In addition, the Falcons toppled 17 school records and seven MAC records and saw quarterback Josh Harris set a league mark with 41 TDs responsible for. Under his direction, Brandon saw wide receiver Robert Redd earn first-team All-MAC honors for two straight seasons. In addition, BGSU had the top red zone efficiency in the nation (96.8) converting on 61 of 63 opportunities inside the opponents' 20-yard line.

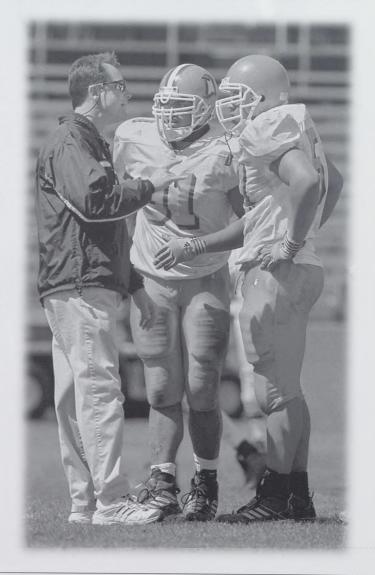

In his first season at BGSU, the Falcon offense showed tremendous improvement, accumulating 124.46 more yards per game and 14.48 more points per game than the 2000 squad. Among MAC schools, the Falcons improved from 13th to fourth in total offense and from 11th to third in scoring offense under his leadership.

BGSU set five school records on offense that year including total offensive plays in a game (100 vs. Kent State), individual receiving yards in a game (215, Redd vs. Marshall), individual total offense in a game (498, Harris vs. Northwestern), rushing yards by a quarterback in a game (148, Harris vs. Ohio), and individual receptions in a season (72, Redd).

Brandon joined the Falcons after spending two seasons at Colorado under Gary Barnett, where he coached the receivers and kick-off return units both years and was the team's passing-game coordinator in 2000 and recruiting coordinator in 1999.

Brandon, 47, played football for Barnett at Air Academy High School in Colorado Springs, and stayed in close touch with him throughout the years. When Barnett was hired as head coach at Northwestern in 1992, Brandon joined the Wildcat staff as receivers coach. He was also Northwestern's recruiting coordinator for his last two seasons there (1997-98). In his seven seasons at Northwestern, Brandon assembled an extremely talented group of receivers, including D'Wayne Bates, the second all-time leading receiver in Big Ten history. Bates was a semifinalist for the Biletnikoff Award and an All-America candidate.

Brandon played collegiately as both a defensive back and wide receiver at Mesa State (1974) and Northern Colorado (1975-77). He graduated from UNC in 1978 with a bachelors degree in education, and began his coaching career that fall as head football coach at Ellicott (Colo.) High School. He spent three seasons there (1978-80) before joining the college ranks at Weber State (under former Washington State coach Mike Price), where he would coach the next six seasons (1981-86). He coached the tight ends and

special teams in his first four seasons, the linebackers in his fifth year and the receivers and tight ends during his final year in Ogden. He was then named receivers coach at Wyoming, where he would work the next four years (1987-90).

During his tenure with head coach Paul Roach, the Cowboys posted a 35-15 record, including a 16-0 run in Western Athletic Conference play in 1987 and 1988, and played in three bowls ('87 and '88 Holiday and '90 Copper). In 1991, he returned to Utah where he coached the linebackers for one season (1991) at Utah State. Brandon, born Feb. 29, 1956, in Tucson, Ariz., is married to the former Robyn Mitchell. They are the parents of two sons, Nicholas (19), a freshman at Purdue, and Timothy (11).

MIKE PRICE, FORMER WASHINGTON STATE FOOTBALL COACH

"I would drive out there today at my own expense to give Gregg a recommendation - that's how strongly I feel about him being a great choice as the next head coach - he's that good. I brought him out here early this year to talk to my offensive coaches. He helped us get to the Rose Bowl."

"That amount of time (22 years) gives you the full picture - a great coach, a real innovator on offense, a tenacious recruiter, and one of the hardest-working guys I've ever been around. Gregg has the football smarts, and he has all of the intangibles you need to be a solid head coach. The best guy they would ever have at Bowling Green is right under their nose."

GARY BARNETT, UNIVERSITY OF COLORADO

"Gregg Brandon is a guy who has really paid his dues. He's been in tremendous programs around the country, and has learned from tremendous coaches, like Paul Roach for example. He's always been a great position coach, and he easily made the transition to coordinator. I'm extremely pleased that he's getting the chance, and I'm confident that he will do a great job."

PAUL ROACH, FORMER WYOMING FOOTBALL COACH

"He has an outstanding dedication to the career. He has a really good football mind. He's got a very creative offensive mind. He is a good motivator and will do a good job of keeping the players focused and performing."

URBAN MEYER, UNIVERSITY OF UTAH

"It's a well deserved promotion. Gregg is one of the finest football coaches in the country. I knew that when I hired him as our offensive coordinator. The program is headed in the right direction and his hiring will result in a smooth transition for the players at BGSU. I was hoping that would be the direction they would go."

TIM BECKMAN

ASSISTANT HEAD COACH DEFENSIVE COORDINATOR/LINEBACKERS

Beckman, 38, joined the program in March, 1998, as the coach of the secondary, and took over in 1999 as the defensive coordinator. He is regarded as one of the top young defensive coordinators in the country according to collegefootballnews.com and will serve as assistant head coach on Gregg Brandon's staff.

"Tim is one of the brightest coaches in the country on the defensive side of the ball and I am thrilled that he will stay at BGSU," said Brandon. "Tim has had a hand in recruiting many of the people who have helped turn this program around and coordinates a defense which comes up with momentum changing plays game after game."

In 2002, he saw his group lead the MAC in turnovers forced for the second straight year after replacing eight starters from the season before, including four who signed NFL free agent contracts. This new-name defense, which saw four freshmen start during the season, finished fourth in the league in total defense. BGSU also finished second in the league in pass efficiency defense and fourth in scoring defense and in fewest first downs allowed. With his attacking style of defense, BGSU averaged more than 14 points per game off of turnovers or blocked kicks. Three players, cornerback Janssen Patton, linebacker Chris Haneline and nose tackle Alex Glantzis, earned All-MAC recognition.

In 2001, the Falcons were the MAC's top-ranked unit in total defense, scoring defense, rushing defense, total turnovers and scoring margin. Nationally, BGSU finished third in turnover margin, seventh against the rush and in interceptions, and 22nd overall in total defense. The Falcons posted two shutouts, forced 36 turnovers and held eight opponents under 100 yards rushing. In addition, nose tackle Brandon Hicks earned All-American honors. For his efforts, Beckman has twice been nominated for the Frank Broyles Assistant Coach of the Year Award, given annually to the nation's top assistant coach, and was a finalist in 2001.

In 2000, he was responsible for guiding a defense which finished fourth in the conference in total defense and rushing defense, and second in sacks. He also served as recruiting coordinator for three seasons. Prior to his appointment at BGSU, the Berea, Ohio, native spent two seasons at Elon College in North Carolina as the defensive coordinator and defensive backs coach. The previous six years he was the secondary coach and recruiting coordinator at Western Carolina. While at WCU, he helped in the development of Willie Williams, who was a sixth-round pick of the Pittsburgh Steelers and led the AFC in interceptions in 1995. The Catamounts finished second in the Southern Conference in both 1992 and 1993. Beckman began his coaching career as a graduate assistant

at Auburn in 1988 and 1989. In his two years there, the Tigers earned back-to-back top-10 national rankings and bowl berths as Southeastern Conference champions, participating in the 1988 Sugar Bowl and 1989 Hall of Fame Bowl. He assisted with the defensive backs at Auburn while earning his masters degree in education. A 1988 graduate of the University of Findlay, Beckman majored in physical education and lettered in 1984 and 1985 on Oiler teams which qualified for the NAIA national playoffs both seasons. He attended Forest Park High School in Beaumont, Texas, for two years before completing high school at Berea High School.

Born January 19, 1965, he and his wife, Kim, have three children, Tyler, 12, Lindsay, 10, and Alex, 6. His father, Dave, coached on the collegiate level and served as head coach of the Hamilton Tiger-Cats of the Canadian Football League for one season. He also worked for the Cleveland Browns and the San Diego Chargers in the NFL.

GREG STUDRAWA

OFFENSIVE COORDINATOR

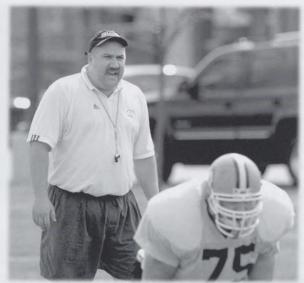

The first order of business for new BGSU football coach Gregg Brandon was to name former Falcon Greg Studrawa his offensive coordinator. Studrawa and Brandon had spent the last two years together at BGSU with "Coach Stud" serving as the coach for the offensive guards and center. In his new position, Studrawa also will coach the entire offensive line.

"Greg is a player's coach and a great tactician," said Brandon. "He's a true Falcon in every sense and his return was priority 1 and 1A on my list of things to accomplish."

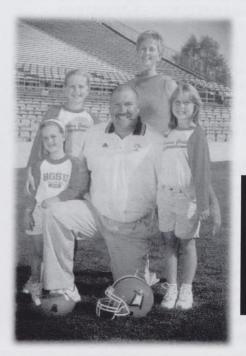

A former starter at left tackle for the Falcons, Studrawa played a significant role in teaching an offense which finished third in the nation in scoring (40.8), eighth in total offense (448.9) and 15th in rushing (219.1) in 2002. In addition, the Falcons set 17 school record and seven MAC records. In 2001, his group helped the Falcons reduce their sack total from the previous year by more than 50 percent and produced a 125-yard improvement in total offense.

He returned to his alma mater after spending three seasons as offensive line coach at Arkansas State. He also was an offensive line coach at Cincinnati for two years (1989 and 1990) and was the

offensive coordinator at Wilmington from 1991-96. He served as a graduate assistant at Ohio State in 1997. A native of Fostoria, he is a graduate of St. Wendelin High School and was a first team All-Ohio pick as a senior. During his career at BGSU, he started two seasons at left tackle. Born November 3, 1964, Studrawa and his wife Cindy have three children, Samantha (12), Katelin (9) and Allison (6).

JOHN BOWERS

DEFENSIVE ENDS / SPECIAL TEAMS COORDINATOR

John Bowers is a 20-year veteran of the coaching profession who is in his third year with the Falcons. He has coached linebackers and coordinated the team's recruiting efforts for two years and will coach defensive ends and oversee special teams in 2003. Last year, he saw his linebacking corps help the squad finish first in the MAC in turnover margin for the second straight year. His group, led by All-MAC performer Chris Haneline, had a hand in 16 of the team's 31 turnovers forced. In 2001, his unit produced one All-MAC performer,

Khary Campbell. The Falcon linebacking corps was a big reason why BGSU finished third in the country in turnover margin (3 INT's, 6 forced fumbles, 8 recoveries). He came to BGSU from Stow High School where he served as defensive coordinator for one year. Bowers has experience in the MAC serving on staffs at Eastern Michigan (1998 and 1993-94) and Kent State (1997) where he was the defensive coordinator.

In 1996 at Eastern Illinois, Bowers helped direct a defense that ranked 11th in the nation overall and seventh against the rush. The Panthers had a two-year record of 18-6 and the 1995 squad won the Gateway Conference championship. He began his coaching career at James Madison as a football graduate assistant coach from 1979-80. Bowers became an assistant football coach at Washington & Lee for one season, 1981, and then spent two years as an assistant at Shepherd. Bowers moved on to Austin Peay as an assistant coach from 1984-87 before joining Illinois State as assistant from 1988-92. A native of Hagerstown, Maryland, Bowers graduated from JMU in 1979 after competing in football and baseball. He was the football team's offensive most valuable player and captain in 1978. He also earned his master's degree in education in 1980. He and his wife, Joanne, an assistant women's gymnastics coach at Michigan, have two sons David (20) and Ross (7).

ZACH AZZANNI WIDE RECEIVERS

Azzanni will begin his third year at BGSU after spending the last two as a graduate assistant. He worked with the tight ends and punt block unit the previous two seasons. "Zach is someone who is familiar with our system and has a bright future in our profession," said Brandon. "His experience as a player in the MAC and as a coach the last two years with us will be a tremendous asset." Azzanni joined the Falcon staff prior to the 2001 season after

from 1983-87 and at the University of Southern Colorado from 1979-82. During McCall's seven-year tenure as head coach at Mullen High School, he led the football program to a 68-17 (.800) record and a state championship in 1998 earning Denver Post Coach of the Year honors that season. McCall also was the head coach at Douglas County High School in Castle Rock, Colo., for three seasons from 1991-93. He holds an overall high school head-coaching record of 80-36 (.690). MIKE WARD

DEFENSIVE LINE

Mike Ward starts his 12th year at BGSU and fourth as the defensive line coach after having spent eight years as the strength and conditioning coach. Last year, the Falcons returned just one starter on the line, All-MAC performer Alex Glantzis. BGSU's young and inexperienced D-line held its own as they ranked third in the MAC against the rush and fourth overall in total defense. In addition, the Falcons led the league in turnover margin for the second straight year. In 2001, Ward saw nose tackle

Brandon Hicks earn All-American honors and first-team All-MAC accolades as the Falcons finished seventh in the nation against the rush. In addition, three players-Hicks, Chris Glantzis and Ryan Wingrove ranked among the top 10 players in the MAC in sacks. In his first year with the group, he saw Hicks earn first-team All-MAC honors after he finished among the MAC leaders in sacks. Ward, known for his enthusiastic

approach and motivational techniques, worked with all intercollegiate teams at BGSU as its strength and conditioning coach. Ward, a native of Mansfield, Ohio, was an assistant football coach at the University of Findlay for six years prior to coming to BGSU. He served as the defensive line

coach and the strength and conditioning coordinator for the Oilers before leaving in 1992. Prior to that, he was an assistant football coach and strength coach at his alma mater, Georgetown College, for two years. Ward earned a degree in health and physical education from Georgetown College in 1984. He also earned a graduate degree in secondary education from Georgetown. The Lexington High School graduate received second-team NAIA Division I All-America football honors as an offensive guard in 1983. Ward is certified by the National Strength and Conditioning Association as a Strength and Conditioning Specialist. He was twice named as the NSCA Professional of the Year by his colleagues in the Mid-American Conference. Ward and his wife, Jody, have two children, Michaela, 6, and Addison, 2.

2003 Q and A With Gregg Brandon

Have you had to make any major adjustments as a coach since you took over the program in December?

"I've been preparing myself for this time for 22 years. I've had the opportunity to work with a lot of great people in this profession so I feel very comfortable with what we are accomplishing at this time."

"I think the most important thing we have done thus far is to assemble a coaching staff of outstanding teachers and leaders. I've enjoyed watching the rapport our coaches have developed with the players at their respective positions. I'm very impressed with the knowledge that Mick McCall (quarterbacks coach), Steven Wilks (defensive backs coach), Troy Rothenbuhler (tight ends) and Dennis Springer (running backs) brings to the table. Even though we have five coaches on the staff who were with us the last two years, everyone has new responsibilities. Coach Beckman is working with the linebackers, Stud (Coach Studrawa) has the whole offensive line and coordinates the offense, Zach (Azzanni) is handling the receivers, Coach Bowers is taking care of special teams and defensive ends, and Coach Ward is now handling the defensive tackles."

What were your general thoughts about this spring?

"Overall, I was pleased with the intensity and performance of the squad. Every practice was a good one."

Why did you move spring ball up a couple of weeks?

"I just think this was a better time for us. It allowed you to give the players more time to focus on their academics toward the end of the semester. Next year, we might start March 1st, take a week off for spring break, then finish around the first of April."

What area are you most comfortable with heading into the summer?

"Obviously I think our quarterbacks and defensive backs are two areas that are very solid. Josh (Harris) is one of the most dynamic players in our conference and Omar Jacobs is showing that he is someone who has a bright future in this program. Now, both can always improve and we certainly are pushing them in that direction, but as a coach, it's probably the position I am most comfortable with."

"I think we have as good a group of four players returning at defensive back as anyone. Besides that, we're starting to see some younger kids get stronger and give us excellent depth at each position."

If you have improved depth, does that mean you plan on redshirting more players in the future?

"No, not really. I really took a lot of grief earlier this year with one of my statements about not saving a player for another coach. The bottom line for me is that the best players are going to play, period! If I don't play our best players, then chances are I won't be coaching them later. I think kids want to find a way to get on the field. Van Johnson is one example. He has done a great job at quarterback, but we are going to use him as a slash-type player, because he is too good an athlete to be standing next to me on the sidelines. Matt Leininger is a different example. He was simply the best player at his position. Would I like to have had Josh Harris redshirted, absolutely, but I think each individual situation is different."

Any area have you concerned?

"Whenever you have to replace three returning starters on the offensive line, you have a greater sense of urgency in the offseason to give players as many reps as possible, but we were down to seven healthy bodies at the end of spring practice. When practice starts in August, we'll have 17 players on scholarship for the first time and it will be a real battle. Scott Mruczkowski has been moved around to different spots this spring and he will be one of the best linemen in the MAC."

How is the kicking game?

"Shaun Suisham hit the ball really well in the spring and comes into the year with great confidence. Nate Fry has had a great spring and is winning the job at punter. Josef Timchenko has struggled a bit, but he has the leg and the ability. Jeff Runnells has taken over for Joe Guiterrez at long snapper."

Talk a little bit about your schedule?

"I think the important thing for us is that we have to be at our best, physically and mentally, come October 4. We've won a lot of games over the last two years, but we haven't won the right games. Playing teams like Purdue and Ohio State are great things for our players and fans, but ultimately our goal is to win the MAC's West Division and earn an invitation to a bowl game. Winning at Western Michigan, Eastern Michigan, Miami and Ball State will help us to that goal. Having 20,000-25,000 fans at home when we play Central Michigan, Northern Illinois, Kent State and Toledo, is essential if we are to continue making a positive impression with the people who run the bowl games. Once we got ranked, every team put the bullseye on our back, and we became "the" game on everyone else's schedule at home. I know that was true at Central, Kent, Northern, South Florida and Toledo. With the exception of Kent, I think each of those teams drew their biggest home crowd when we came to town. We are going to play at least one game on national television, and I would hope to get possibly as many as three regional television appearances, so exposure will not be a problem for us. Winning 17 games over two years and beating four BCS schools certainly has made everyone feel good about our program, but it hasn't taken us where we want to be. To get where we want to go, we have to win the right games."

Brandon Takes Over As Head Coach

Bowling Green State University Director of Athletics Paul Krebs tabbed Falcon assistant head coach Gregg Brandon to become the 16th head coach in the history of the BGSU football program. He replaced Urban Meyer, who left BGSU to become the head coach at the University of Utah. Brandon has more than 22 years of coaching experience at the Division I level, including the last two years at BGSU where he has served as assistant head coach and directed the Falcons' record-setting offensive attack. For his efforts at BGSU, The Sporting News selected him as the top coordinator in the Mid-American Conference. Also returning from last year's coaching staff are assistant head coach-defense Tim Beckman, and defensive staff members Mike Ward (defensive tackles) and John Bowers (defensive ends/special teams). Former Falcon Greg Studrawa was promoted to offensive coordinator and former graduate assistant Zach Azzanni will oversee the development of the wide receivers. Joining the staff at BGSU this year are running backs coach Dennis Springer (Ball State), quarterbacks coach Mick McCall (Wyoming), tight ends coach and recruiting coordinator Troy Rothenbuhler (Arkansas State) and defensive backs coach Steven Wilks (East Tennessee State). Joining Meyer in Utah were tackles and tight ends coach John Hevesy, quarterbacks coach Dan Mullen and wide receivers coach Billy Gonzales. Defensive backs coach Tommy Thigpen took a similar position at Illinois, while defensive graduate assistant D.J. Durkin is now on the staff at Notre Dame.

Falcon Tradition

The Falcons, who enter their 52nd season as a Mid-American Conference member, rank second in MAC history in both conference wins (212) and championships (10). The Falcons' .610 winning percentage ranks third all-time. BGSU has finished either first or second in the MAC standings in 22 of their previous 51 seasons in the league.

Falcons Topple Two MAC Scoring Standards

With its 63-point effort against Eastern Michigan, the Falcons established a new league record for most points scored in a season at 466 and finished with 490 overall. That broke the old mark of 453 set by Marshall in 1997. With three TDs against Toledo, BGSU also set a new MAC single season standard of 65 TDs scored, breaking the old mark of 64 set by Marshall in 1997. However, with post-season statistics now counting, those records were later toppled by Toledo, which played two more games than BGSU.

2003 Notebook

Falcons Have Unfinished Business

In 2001, the Bowling Green State University football team, led by a veteran defense, posted the nation's top turnaround by finishing with an 8-3 record, a six-game improvement over the previous season. In 2002, the Falcons, turning to a more experienced offense to lead the way, bolted to an 8-0 start and a school-best #16 ranking in the ESPN/USA Today Coaches Poll, but dropped three of its final four games. Despite a 9-3 record and five wins in two seasons over BCS affiliated opponents, BGSU sat home again during the holidays. In 2003, the goal of the Falcons will be simple: "Win the West". Four things will likely have to happen if BGSU is to accomplish its goal and play in its first MAC Championship game.

- 1. Senior quarterback **Josh Harris** will have to have the kind of year that will warrant consideration for the Vern Smith Award, given annually to the top player in the conference.
- 2. The Falcons will have to defend their home turf, a place where BGSU has won its last seven games by an average score of 30 points.
- 3. Junior left offensive tackle Scott Mruczkowski will need to lead a unit which must replace a group in departed seniors Jon Mazur, Greg Kupke and Dennis Wendel which started 89 career games between the trio.
- 4. The BGSU defense, which returns eight starters, needs to continue to be the top ranked squad in the MAC in turnover margin and return to form against the rush when it held 12 opponents under 100 yards rushing over a 15-game stretch in 2001 and 2002.

The Falcons enjoyed a stretch which saw them ranked in one of the two major polls for a school-record five consecutive weeks in 2002. BGSU was ranked for the first time since 1985 (20th in the AP poll) and their #16 rating on November 3 in the USA Today/ESPN coaches poll was the school's highest-ever Division IA national ranking in football.

Undefeated MAC Power

Call It Rolling Green

In December 2000, during his first week as Bowling Green coach, Urban Meyer received a note from the team's academic adviser informing him that some months. The following season the Falcons went 8–3, and this year Meyer has led Bowling Green to a 7–0 start and a No. 21 ranking, the school's highest since 1985.

"The biggest change is the players' artitude," says junior quarterback Josh Harris, who leads the nation in scoring (13.1 points per game) and is 10th in total offense (287.7 yards per game). "After Black Wednesday our bad habits went out the window."

Arizona State Revival

Clearing the Air, Then Airing It Out

Arizona State quarterback Andrew Walter is proving that good second impression. After a dominating 27–16 victory over Washington, the Sun Devils are 7-2 overall and 4-0 in the league tied for first with Washington State, which they visit on Satur day. Walter, a sophomore wh took over as starter from Chad Christensen after four games has thrown for more than 400 vards in three of his five starts He had long been regarded as having more talent than Christensen, but second-year coach Dirk Koetter had chided him for his flawed fundamentals, particularly poor footwork and in consistent throwing motion. A summit meeting last spring among Koetter, Walter and hi parents wasn't "touchy-feely, Koetter said last week

Walter laughed at that description on Sunday and said that Koetter was half right: "Touchy was the word for it. He didn't think I could run the offense the way he wanted." Walter considered transferring but decided to keep working. Asked if his fundamentals had improved since last spring, Walter said, "No, not really. A lot of it is confidence. Getting the chance to perform has helped—knowing I can lace it in there or put touch on it. Coach and I have a good relationship. It's not like it was last spring," Ers not like it was last spring."

20 players had missed mandatory study hall or classes that week. Meyer saw this as a chance to make a thundering statement to a team that had finished the 2000 season 2–9. He told his players to report to the field house the next morning at five. "I wanted to run guys who weren't committed right out of the program," says Meyer, 38.

For three hours Meyer had his squad jog and run wind sprints. One by one the ashen players made trips to gurbage cans set up for them to vomit in. "I threw the ball only a few times a game in high school," he says, "but I knew I could play at this level."

84 SPORTS ILLUSTRATED

BGSU's five-week stay among the top-25 programs in the country generated millions of dollars of publicity for the University. In addition to increased weekly exposure in every major daily newspaper in the country and game highlights shown on traditional television, BGSU also was featured in Sports Illustrated (above).

Suisham Shows Improvement

Entering the 2002 season, the kicking game was of great concern. However, sophomore **Shaun Suisham** eased any fears by setting a MAC record by making 57 of 59 PATs and connecting on 12 of 14 field goal attempts. He was a candidate for the Lou Groza Award, given annually to the top collegiate kicker in the country.

Non-Offensive Touchdowns

One trademark of BGSU during the last two seasons has been its ability to score points on defense and on special teams. In 2001, the Falcons garnered six touchdowns (4 on defense and 2 on special teams) unconventionally. In 2002, BGSU had four TDs (3 on defense and 1 on special teams) in that same manner.

Missouri--Mitch Hewitt returned an interception 27 yards.
Kansas--Mitch Hewitt recovered a fumble in the end zone.
Central Michigan--Marcus Allen recovered blocked punt in end zone.
Western Michigan--Janssen Patton returned an int. 12 yards.

Block That Kick

When freshman B.J. Lane blocked a Toledo punt in the second quarter of the season finale, it marked the eighth blocked kick for the Falcons in 2002, and seventh of a punt. BGSU scored six touchdowns and had one field goal off of blocked punts last season. Lane, sophomore Cornelius McGrady and sophomore Keon Newson each had two blocks apiece. On another punt at South Florida, freshman Mike Crumpler was credited with tackling the punter for a 29-yard loss in the third quarter against the Bulls.

Defense and Special Teams Changed Games

The Falcons averaged 14.4 points per game as a direct result of turnovers or blocked kicks in 2002.

Toledo (2 takeaways, blocked punt, 14 points)

Eastern Michigan (5 takeaways, 28 points)

South Florida (blocked punt, 7 points)

Kent State (5 takeaways, 24 points)

Ball State (3 takeaways, 21 points)

Western Michigan (1 takeaway, 7 points, blocked punt, 7 points)

Central Michigan (2 blocked punts, 10 points)

Ohio (2 takeaways, 14 points)

Kansas (3 takeaways, 22 points)

Missouri (1 takeaway, 7 points)

Defense Looks To Improve With Seasoning

Despite eight new starters last season, BGSU was fourth in the MAC in scoring defense (25.3), sixth against the rush (153.67) and fifth in overall defense (365.1). In addition, BGSU was third in the league in pass efficiency defense (113.8) and were first in turnover margin (+.75). Last year, eight freshmen recorded a tackle for the Falcons (Mitchell Crossley, Mike Crumpler, Matt Leininger, Jelani Jordan, Mike Thaler, Monty Cooley, Jamal Bryant, Terrill Mayberry). In 2003, BGSU will return eight starters. The Falcon secondary returns intact with senior cornerback Janssen Patton (a two-time All-MAC pick), junior cornerback Keon Newson, senior strong safety Mike Malone and senior free safety Jason Morton returning as a unit for the second straight year. Senior outside linebacker Mitch Hewitt returns as does junior Jovon Burkes who moves from outside to middle linebacker. Sophomores Mitchell Crossley (end) and Matt Leininger (tackle) look to be long-time forces on the defensive line for BGSU.

Longest Continuing Rivals

The Falcons will play Kent State for the 57th consecutive season and Toledo for the 55th straight year. Last year, BGSU ended a 52-year streak where it played Miami, while this season, the Falcons will not play Ohio after battling the Bobcats for 52 consecutive years.

Night Games at Perry Stadium

The Falcons are 7-0 at home in games played under newly installed permanent lighting since the 2001 season. BGSU is 11-2 in night games at home, which was provided by temporary lighting from 1989-2000.

Jarrett Earns Academic Honor

Seniors Craig Jarrett (third from left) and Katrina Kerns (women's track and cross country) and juniors Jody Johnson (softball) and Craig Pickerel (men's golf) took home top honors at the 2003 BGSU Scholar-Athlete Honors Banquet.

Jarrett, a resident of Bellevue, Ohio, was named the 2002-03 Male Senior Scholar-Athlete of the Year. He holds a 4.0 GPA with a double major in biology and chemistry. A tight end on the football team, he is recovering from major knee surgery and will complete his eligibility with the Falcons in 2003. He also has earned the MAC Commissioner's Award and has been a member of the MAC Honor Roll.

Jarrett was honored with the Meserve Scholarship which is named for longtime BGSU Faculty Athletics Representative and professor Dr. Lee Meserve and his wife, Marge.

Hoop Dreams

When the BGSU men's basketball team saw two starters succumb to season-ending injuries in early December, two members of the Falcon football team took their talents to the hardwood and helped BGSU reach the MAC Tournament in Cleveland for the fourth straight year.

Wide receiver Cole Magner (left) played in 15 games and averaged 3.2 points and shot 44.4 from three-point range. In addition, he had 22 steals, including a game-winning theft at

home in the final seconds against Miami. In that game, Magner had eight points, eight rebounds, four assists and

six steals against the RedHawks.

Cornerback **Keon Newson** (right) saw action in 17 games and scored 17 points and added seven steals and seven defensive rebounds. His best outing came at Ball State when he had three points, three rebounds, one assist and two steals against the Cardinals.

Magner was an All-State basketball performer at Colony High School in Palmer, Alaska, while Newson helped his Columbia High School team in Decatur, Ga., to the Georgia Sweet Sixteen.

Falcons Fly At Hall Of Fame

During the football season, helmets and pennants featuring teams ranked in the top 25 of the ESPN/USA Today Coaches Poll are displayed in the lobby of the College Football Hall of Fame in South Bend, Indiana. The picture below shows BGSU when it was ranked 16th in the country ahead of #17 Florida and behind #15 Oregon. When the Falcons first landed in the poll on October 13, Hall of Fame officials did not have a BGSU helmet among its collection and used a Syracuse helmet with a mock "Falcon Head" logo before obtaining an authentic BGSU helmet and pennant from the University.

Holding Em Under 100

Under the direction of assistant head coach and Broyles Award nominee Tim Beckman, the Falcons have held the opponent to fewer than 100 yards on the ground in 18 contests over the last three seasons.

Talking about Josh Harris and BGSU

"Josh Harris is such a dangerous threat that it is almost impossible to contain a player like that," said <u>Central Michigan Coach Mike DeBord</u> after Harris sealed the Falcons' 45-35 victory.

"Give that quarterback credit. We have faced some pretty good quarterbacks and this guy is as good as I've seen," said <u>Ohio Coach Brian Knorr</u> after playing Florida, Pittsburgh and Bowling Green at the start of the 2002 season.

"That's probably the best execution I've seen in a long, long time. Every big play they tried, not every one but certainly most of them, they hit on. Momentum-wise, we didn't do anything to stop them," said <u>Missouri Coach Gary Pinkel</u> following the Falcons' 51-28 victory in 2002.

"He reminds me of Michael Vick," said <u>Toledo linebacker Tom Ward</u>. "He can run very well and cut back and forth. Once you get him out of the pocket and scrambling, boom, he hits someone deep for a big play, or he takes off running and leaves you frustrated."

Glenn Sharp by title was an equipment manager. By actions he was a father, a mentor, a port-in-the-storm, and so much more. His compassion for his players impacted their lives...and those players can now impact the lives of future players by becoming involved in the Sharp Fund.

The Sharp Fund is an organization of former BGSU Football players and special friends who appreciate the Falcon tradition. It is designed to 1) Honor Sharpie; 2) actively reunite all former players in the BGSU football family; and 3) give back to the football program through annual support of the Sharp Fund.

An annual alumni golf outing in June will mark the beginning of the Sharp Fund drive each year. It is an event to encourage all players to come back to campus to reconnect with old teammates and the coaches.

There are no dues required to belong to the Sharp Fund – former players are encouraged to contribute what they can. Funds will be used exclusively for specific projects above and beyond the scope of football's annual budget. In its inaugural year, over \$75,000 has been raised for the The Sharp Fund.

MOTOR CITY BOWL

The Motor City Bowl will feature teams from the Mid-American Conference and the Big Ten.

The seventh edition of the bowl game will be played Dec. 26, 2003, at 5 p.m. at the new Ford Field. The contest will be broadcast live on ESPN.

Under the direction of former Michigan State University head football coach George Perles, the Motor City Bowl has teamed with the MAC since the Bowl's inception in 1997 to feature some of the nation's top players in a highly competitive postseason environment.

Perles, the bowl's Chief Executive Officer, and Ken Hoffman, Executive Director, have secured sponsorship from the Big Three Automakers - Ford, Daimler Chrysler and General Motors.

The MAC and the Motor City Bowl have a perpetual contract assuring the conference and the Bowl of an affiliation for as long as the bowl and the conference both exist.

Played at the new Ford Field, also home of the National Football League's Detroit Lions, the Motor City Bowl is easily accessible to MAC fans and alumni.

GMAC BOWL

In the 2000 contest had the Horned Frogs dropping a 28-21 decision to Southern Miss before a capacity crowd of 40,600. In 2001, Marshall rallied froma 30-point deficit to edge East Carolina, 64-61 in double overtime in the highest scoring game in bowl history.

Last year, the Thundering Herd defeated Louisville, 38-15, for its second straight GMAC Bowl title.

BGSU Football History

Since Frederick G. Beyerman, an instructor in the physical education department and first athletic director, announced in July, 1919 that Bowling Green State Normal College would field an intercollegiate football team, a rich tradition has developed.

From that very first team, to the first squad to go unbeaten in 1928, to the first perfect record of the 1959 national college division champions, to, most recently, the highest ever Division IA national ranking in 2002...

From former head coach Warren Steller, to Max Minnich, the first BGSU player to be drafted by a professional team, to Fred Durig, the first All-America selection, to legendary head coach Doyt Perry, to Paul Miles, the only football player ever to have his jersey retired, to Dave Preston, the career rushing leader, to record-setting quarterback Brian McClure, to new head coach Gregg Brandon.

The Bowling Green State University football program has a tradition as rich as any in the Mid-American Conference, and many programs nationally.

Since 19 of the 30 males enrolled at Normal College banded together to form that first team, many different people, players, and games have combined to mold the lore of football at Bowling Green State University.

The following paragraphs will touch on many of the people and games which carved the Falcon football history.

The program got off to a rocky start losing its first seven games played.

Franklin Skibbie scored the first touchdown with BG's only points in the 10-6 loss to Findlay in the 1920 season opener.

That team would post a 7-0 win over Kent State Normal College (Kent State) in the season finale to record the first win.

The 1921 squad was the first to win a conference title capturing the Northwest Conference championship with wins over Defiance, Findlay, and Toledo. BG posted a shutout of Findlay, scoring a school-record 151 points in one of the most talked-about games in school history. In the season opener against Kent State, played behind what is now Ridge Street School, the Falcons played possibly the quietest game in school history when all fans were prohibited from making noise because of an illness in the neighborhood.

The following season, BG held its first homecoming game on Nov. 4, 1922, which was played at the Fairgrounds. Bowling Green and Toledo battled to a 6-6 deadlock.

A band made its first appearance at a BGSU football game in 1923 under the direction of E.C. Powell. After having a different coach in each of its first five seasons, Warren Steller was selected to coach the 1924 squad, the beginning of a very successful 11-year tenure, the second-longest in school history. Steller was the first BGSU head coach to have an assistant when Paul Landis was hired in 1925.

Led by Chet Chapman, the first BG player to earn First Team All-

Urban Meyer served as head coach for the Falcons in 2001 and 2002 and guided BGSU to a 17-6 record and its highest-ever national ranking at #16 in the ESPN/USA Today Coaches Poll. Under his direction, the Falcons became the first MAC team to ever defeat three BCS affiliated schools in one season (2001).

Ohio honors, the 1928 team posted the first unbeaten record while allowing just 18 points in seven games.

In 1936, the federal government offered to help Bowling Green financially in the construction of a new football stadium and the Trustees accepted the offer. University Stadium was dedicated on October 23, 1937 and served as the home of Falcon football until 1966 when Doyt L. Perry Stadium was built. University Stadium was located in what is now the center of campus directly west of Jerome Library.

After playing mostly "local" teams previously in its history, the 1940 team made the longest trip

in school history to that time to play Eastern Kentucky, a trip of approximately 400 miles.

In 1941, Robert Whittaker was named the head coach at Bowling Green after compiling an 11-year record of 89-19-2 at Sandusky High School. Whittaker's first of his 14 teams (the longest tenure in school history) tied Case Western Reserve for the Ohio Conference title and was thought to be one of the best teams ever, scoring 173 while allowing just 40.

After back-to-back losing seasons in 1953 and 1954, Doyt Perry began his legendary career as the Falcon head coach in 1955 and made an immediate impact. BG posted a 7-1-1 record, scoring 224 points while allowing only 53. This came on the heels of a 2-7 record the previous season.

Perry, whose teams never lost more than two games in any of his 10 seasons, led his 1959 squad to the first perfect record in school history at 9-0-0. In the process, the Falcons were named the mythical small college national champions by the Washington, D.C. Touchdown Club. BG's closest game that season was a Mid-

American Conference victory at Ohio University by a 13-9 count to wrap up the perfect season and national honor.

The following season, BG came within one game of repeating as national champions losing only a 14-7 decision to Ohio University at home as the Bobcats claimed top national honors.

In 1961, Bowling Green played in its first bowl game, the Mercy Bowl at the Los Angeles Coliseum. The game against Fresno State was played to raise money to help defray the expenses of the families of 16 members of the Cal Poly San Luis Obispo football team who perished in a plane crash shortly after takeoff from Toledo Express Airport after a 1960 game against BG. The game netted \$170,000 for the memorial fund.

The arrival of a skinny, muchheralded quarterback from Ravenna, Ohio in 1982 signaled the beginning of an 11-year period in which the Falcons would make four bowl appearances.

The quarterback was Brian McClure and all he would do in the next four seasons was lead the Falcons to a 34-12 record, a 19-1

One of the most significant wins in school history was the 17-13 victory over 18th-ranked Purdue in 1972. A fourth quarter field goal by Don Taylor was the difference for Coach Don Nehlen and his Falcons.

record at home, two bowl games, and become only the second quarterback in NCAA history to pass for over 10,000 yards.

He became the starter in the third game of his freshman season, and despite missing the last two games of the regular season, he became the first freshman to be named the first team all-league quarterback.

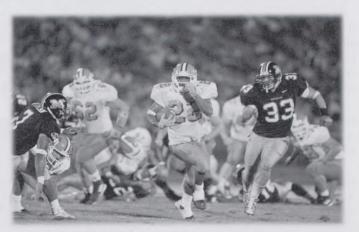

He would rewrite the BG and MAC record books before his career was over, setting five NCAA records as well. McClure still holds numerous school and MAC records.

In 1991, Gary Blackney was tabbed as the 14th head football coach, and much like the arrival of McClure, he made an immediate impact on the program.

In his first season, he took a team which compiled a 3-5-2 mark the previous season and molded them into an 11-1 squad, going undefeated in the MAC while winning the program's first bowl game.

Brian McClure is one of only two players in MAC history to earn league MVP honors twice.

The following season was more of the same as the Falcons were again perfect in league play and a win over Nevada in the first Las Vegas Bowl made it back-to-back bowl victories.

The 1993 squad would extend the conference winning streak to a league-record 19 games while going unbeaten in the first 22 MAC games of Blackney's tenure.

Urban Meyer took over the reins of the Falcon program in 2001 and engineered the top turnaround in Division IA. The Falcons opened the Meyer era with an impressive road win at Missouri and followed that up with wins over Buffalo and Temple, surpassing their victory total of the previous year.

BGSU posted its first winning season since 1994 when it reeled off three straight wins to end the season. The Falcons 43-42 victory at Northwestern made them the first MAC team to ever defeat three teams from BCS conferences in a single season.

The Falcons ended the season six-days later with a 56-21 pasting of MAC Champion Toledo.

Meyer's impact was more than on the field, it also showed in the stands. Attendance doubled and the Falcons student body showed up in record numbers.

In 2002, BGSU roared to an 8-0 start including win over Missouri and Kansas and were ranked in both the AP and Coaches polls at the same time for the first time in school history.

The Falcons became the highest swcoring team in MAC history and led the nation in red-zone efficiency.

Meyer led the team to a 17-6 record in two seasons, including a 5-0 mark against teams affiliated with BCS leagues.

Meyer's offensive coordinator, Gregg Brandon, took over as head coach in December, 2002, and will look to lead the Falcons to new heights.

Paul Miles is second on the BG career rushing list with 3,238 yards while he is also the only football player to have his number retired. At the time of his graduation, he was only the third running back in NCAA history to rush for 1,000 yards in three consecutive seasons. The Mid-American Conference title won by the 1991 team was the first of two consecutive championships. The 1991 team won all eight of its MAC games, the first of what would turn into a league-record 19-game winning streak.

John Gibson scores a touchdown in BGSU's 56-21 victory over Toledo in 2001. Bowling Green now has a 35-28-4 edge in the series. The 56 points scored by the Falcons was the most ever scored in the series by BGSU. (Photo courtesy of the Toledo Blade)

In a one-time game to help defray the expenses (burial and medical) of families of the 16 members of the Cal Poly San Luis Obispo football team who perished in a plane crash, Oct. 29, 1960, shortly after takeoff from Toledo Express Airport, Bowling Green and Fresno State, the undefeated champion of the California Collegiate Athletic Association, met at the historic Los Angeles Memorial Coliseum.

Playing before its largest crowd in school history, the Falcons, six-point favorites, were guilty, uncharacteristically, of six turnovers, which was the difference in the game.

BG's defense, which was ranked fourth in the nation, yielded 468 yards, 196 more than it had given up to any opponent during the season.

Quarterbacks Beau Carter and Jon Anabo were thorns in BG's side all day passing for 368 yards and two touchdowns. Carter ran for two scores, also.

BG scored its only points early in the second stanza on the two-yard

run by Ray Bell which was set up on a long pass play between Larry Smith and quarterback Jim Potts.

BG fumbled on its next two possessions with FSU turning the second miscue into a touchdown on a long pass play. Bowling Green did have a pass dropped in the end zone as the first half ended which would have given them the lead.

Fresno State then scored 1:44 apart midway through the third period to put the game away, the second score set up by a fumbled snap on an attempted punt.

The contest netted \$170,000 for the memorial fund which aided the survivors and the relatives of the victims of the plane crash. Cal Poly SLO had played at Bowling Green the afternoon before the crash.

After a full week of events leading up to the meeting with the Pacific Coast Athletic Association champion Fresno State, the Falcons entered the game against the Bulldogs a two-touchdown underdog.

The Falcons also had to contend with a partisan sea of red squeezed into Bulldog Stadium, the home of Fresno State.

But, the Falcons drew first blood converting a Jac Tomasello interception on the final play of the first quarter into the first touchdown of the game, a Chip Otten four-yard run capping a 48-yard drive. The Falcons took a 14-0 lead to the locker room after driving 73 yards on their next possession. Sophomore quarterback Brian McClure connected with John Meek on the scoring play.

BG looked to be in the driver's seat after McClure connected with Shawn Potts from five yards out in the third stanza. But, Fresno State answered BG's score with their first of the contest later in the quarter.

Bowling Green came right back as Potts picked up a fumble by receiver Greg Taylor at the five-yard line and ran it in to put the Falcons back up by three touchdowns.

Bowl Game History

With Fresno State pinned back on its own 20-yard line and facing a third-and-ten, a Falcon stop might have put the final nail in the Fresno State coffin. But, FSU gained 15 yards on the third-down play and the comeback was on.

With future NFL receiver Stephone Paige running and catching a pass for a touchdown, FSU closed to within six points with three minutes left. BG used up just 1:05 of the clock on its next possession and FSU moved 45 yards in eight plays with Jeff Tedford finding Vince Wesson over the middle with 11 seconds left. Scott Darrow's PAT was the deciding point.

BG gained just 26 yards on nine plays in the fourth quarter while FSU gained 220 of its 453 yards in the final 15 minutes.

This third quarter fumble recovery by Stu Tolle set up the third Falcon touchdown giving the Falcons a 21-0 lead over Fresno State in the 1982 California Bowl.

The tone for what was expected to be one of the most evenly-matched California Bowls, came earlier in the week when BGSU head coach Denny Stolz told the team before their Wednesday practice he would be leaving after the bowl game to accept the head coaching job at San Diego State.

An indication of what was ahead for the Falcons in the game came early in the first quarter when, trailing 7-0, they drove to the Bulldog one-yard line where they fumbled the ball away in the end zone, the first of five on the day and the same number they had committed in the first 11 games of the season. Fresno State would score the next 37 points before BG would hit paydirt.

Wide receiver Mark Szlachcic (#84) had 11 receptions, two for touchdowns, for a school-record 189 yards in the 1991 California Bowl.

Not even being a double-digit underdog against Fresno State could keep the Falcons from completing its storybook season under first-year head coach Gary Blackney.

And the script for this game was all Hollywood.

The first quarter would have led the fans to believe it might take 40 or 50 points to win the game as the Falcons scored touchdowns on their first two possessions and the Bulldogs would get one of those back before the quarter was over.

The scoring continued early in the second stanza as BG's Erik White and Mark Szlachcic hooked up for a second time. But, FSU came right back on their next possession with Anthony Daigle running 57 yards to cut the deficit in half going to the lockerroom.

The defenses took over in the third quarter, each allowing just 65 yards total offense. Late in the quarter, FSU placekicker Derek Mahoney missed a 26-yard field goal, the most significant scoring opportunity of the quarter.

BG scored early in the final stanza moving 80 yards after the missed field goal to build another 14-point lead.

FSU came right back to score driving 71 yards as quarterback Mark Barsotti completed five-of-six passes, connecting with tight end Marty Thompson from five yards out.

After three changes of possession, FSU started the final drive of the game from their one-yard line, after an interception, with 2:29 remaining.

FSU used its last time out with 24 seconds left and the Bulldogs just nine yards away from the needed touchdown. After a running play for six yards and two incomplete passes, the final play of the game would determine the outcome with three seconds left.

The BG defense rose to the occasion covering all FSU receivers and Barsotti threw incomplete with BG linebacker Kevin O'Brien pressuring. It was BG's first bowl win.

BG won its 11th game making Blackney one of only three coaches in NCAA history to win 11 games in their first season as a head coach.

In the inaugural Las Vegas Bowl, which replaced the California Bowl, the Falcons faced the high-powered offense of the University of Nevada.

In a game in which the punting game took center stage, the Falcons won the first half and Nevada the second half, but a late BG touchdown proved to be the difference.

The Falcons scored on their first four possessions to grab a 28-3 half-time lead. BG had 267 first-half yards to just 116 for the Wolfpack as they had an 18-6 edge in first downs.

In the second half, it was Nevada quarterback Chris Vargas' turn. He had engineered six Nevada comeback victories in three years coming off the bench, including an NCAA-record 35-point comeback against Weber State.

Nevada scored three touchdowns in the third quarter with punts of five and seven yards by BG setting up the first two scores. The Wolfpack's third score was set up by a high snap from center on a BG punt.

Nevada finally took the lead with 12:41 left in the game and looked to possibly put the game away with a field goal with 7:13 left, ending their run of 31 unanswered points.

Bowling Green then moved to the Nevada six-yard line before turning the ball over on downs. After holding the Wolfpack to one first down, Nevada punter Steve Lester had the center snap go through his hands setting up the Falcons at the Wolfpack 15-yard line with 1:45 remaining.

A 12-yard Erik White to Mark Szlachcic connection on first down put the Falcons on the three-yard line. After two runs and a pass did not net any yardage, White found Dave Hankins alone in the back of the end zone on fourth down with 22 seconds left. Placekicker Brian Leaver made the PAT for the winning points and BG's second consecutive bowl win.

Zeb Jackson gave BGSU a 28-7 lead against Nevada.

Hall of Fame Inductees

DOYT L. PERRY

1988 College Football Hall of Fame Inductee

The year 1988 will be fondly remembered by many who are associated with the football program at BGSU. That year Doyt L. Perry, a former player, coach and administrator was recognized by the National Football Foundation with its top honor, induction into the College Football Hall of Fame.

Perry traveled to New York in December of 1988 for the Foundation's Hall of Fame dinner and was officially enshrined into the College Football Hall of Fame in June, 1989, in ceremonies held at Kings Island, Ohio.

Perry's association with BGSU dates back to the 1920s when he lettered nine times in three sports (football, basketball and baseball). The Croton, Ohio native received his degree in 1932. He began coaching on the high school level before becoming an assistant at Ohio State in 1951.

Perry returned to his alma mater in 1955, leading the football program to a 77-11-5 (.855) record over the next 11 years. His teams won five Mid-American Conference titles and one national college division championship in 1959. Perry's winning percentage ranks fifth on the all-time NCAA list.

Perry, who retired from coaching in 1964 to become BGSU's athletic director, developed such outstanding coaches as Bill Mallory, Don Nehlen, Larry Smith, and the late Dave McClain. Many more of Perry's former assistants and players have gone on to enjoy success in the coaching profession.

Perry passed away in February of 1992. At his memorial service former Michigan coach Bo Schembechler, an assistant on Perry's 1955 staff, said, "I don't believe I can name a coach, anywhere, anytime, anyhow, who did it better than Doyt Perry."

A documentary on Perry's career was released in May of 1998. It was produced by WBGU-TV.

WHY ORANGE AND BROWN

Orange and brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a women's hat on a bus to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns' head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

ALMA MATER

Alma Mater hear us, As we praise thy name Make us worthy sons and daughters Adding to thy fame.

Time will treat you kindly Years from now you'll be Ever dearer in our hearts, Our University.

From your halls of ivy To the campus scene, Chimes ring out with gladness From our dear Bowling Green.

When all is just a mem'ry Of the by-gone days, Hear our hymn dear Alma Mater As thy name we praise.

FIGHT SONG

Forward Falcons, Forward Falcons Fight for victory, Show your spirit, make them fear it Fight for 'ol Bee Gee.

Forward Falcons, Forward Falcons Make the contest keen, Shout out the fame of our mighty name And win for Bowling Green!

AY ZIGGY ZOOMBA

Ay Ziggy Zoomba Zoomba Zoomba Ay Ziggy Zoomba Zoomba Ze Ay Ziggy Zoomba Zoomba Zoomba Ay Ziggy Zoomba Zoomba Zi Roll along you BG warriors Roll along and win for BGSU

Ay Ziggy Zoomba is Bowling Green's unofficial fight song. Gil Fox, an Air Force bombadier in World War II stationed in Italy, brought a loose translation of a Zulu war chant back with him, and since its introduction in 1946 to a campus spirit assembly, it has kept its place in BGSU

The Falcon football team traditionally sings "Ay Ziggy Zoomba" after each victory.

Spirit and Tradition

RETIRED JERSEY

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

FRIEDA & FREDDIE FALCON

Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is "beheaded" at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

WHY THE FALCONS?

The 2002-2003 athletic year marks the 76th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname after reading an article on falconry. Lake, managing editor and sports editor of the *Sentinel Tribune* in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were "the most powerful bird for their size and often attacked birds two or three times their size."

PEACE PIPE AWARD

The Peace Pipe is a traveling award that goes to the winner of the annual gridiron battle between Bowling Green and Toledo. The Peace Pipe tradition actually began on the basketball court during the 1947-48 season. At that time, the teams exchanged a six-foot long wooden peace pipe. The original basketball Peace Pipe disappeared, so, in 1980, the Peace Pipe was reinstated for football with former UT football player Frank Kralik creating the present trophy. Today's Peace Pipe is a smaller version of the original pipe, resting atop a trophy. Bowling Green now has a 35-27-4 edge in the series.

ANNIVERSARY AWARD

The Anniversary Award is a traveling award that goes to the winner of the football game between Bowling Green and Kent State. Established in 1985 by the respective alumni departments at BGSU and KSU, the Anniversary Award commemorates the founding of BGSU and KSU in the year 1910. BG defeated KSU 24-7 last year and leads the all-time series with its "sister school," 49-15-6. BGSU and KSU square-off on November 2 this season. KSU, which has been BG's opponent in more football games than any other, 70 contests, has won the award only three times (1988, 1997 and 1999) in the last 15 years. Bowling Green has won 25 of the last 28 meetings between the two schools.

Perry Stadium

Permanent lights helped BG5U double its home attendance in 2001. The Falcons averaged 25,000 fans in the month of November, 2001.

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 37th year as the home of Bowling Green State University football. Last year, permanent lighting was installed at the venue and home attendance doubled.

Built in 1966 for approximately \$3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982. This season will mark the first with permanent lighting. One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium set the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-

game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,110, an average of 22,422.

In 1994, BG fans bettered the mark of 1985 as 114,802 fans, an average of 22,960, attended the five home games.

Perry Stadium is more than just a football facility. The east side of the stadium includes locker rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift 12 years ago. A physical fitness center/weight room opened its doors to all intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium are the Falcon Club offices and clubhouse, the men's and women's soccer and track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 20th year of operation, the Stadium Club's 106 theatre-type seats, which are all sold, provide loyal BGSU fans with the best view of the game. The President's Box, located at the top of the east side of the stadium, provides luxury seating for President Sidney Ribeau, his guests, and other sup-

porters of Falcon football.

The construction of elevators on both sides of the stadium, completed in early 1998, has made the stadium more accessible for all fans. Renovations to all boxes on both sides and the stadium club have taken place over the last few years making for a more "fanfriendly" atmosphere. Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 67 percent of their home games, compiling a 114-57-6 record in the 177 games played at Perry Stadium.

In the event that a BGSU player does not hold a record, the top Falcon performance is also listed.

Over the last 19 seasons, Bowling Green is 70-24-4 at home for a .734 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fifth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame), Frank Leahy (Notre Dame), and Larry Kehres (Mount Union) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years (1965-71) after stepping down as football coach.

The football facility at BGSU was formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Present for the ceremony were (l-r) Perry's children D.L., Judy Perry McClain, David and Doyt's wife Loretta. They are joined by John Mahaney, former president of the Board of Trustees, former University President Paul J. Olscamp and former Athletic Director Jack Gregory.

University Administration

DR. SIDNEY A. RIBEAU PRESIDENT

Since becoming its ninth president in 1995, Dr. Sidney A. Ribeau has focused on making Bowling Green State University a distinctive learning community which ignites in students a passion for learning that will reward them in their chosen careers and enrich their lives.

A recognized leader in higher education, Dr. Ribeau received the 2003 President's Award from the National Association of Student

Personnel Administrators for "his courage and leadership in guiding the Bowling Green State University campus community to develop a community focused on student learning and designed to educate the whole student by taking students' personal and intellectual growth into consideration."

That vision has included creating a program through which students can question and be challenged to become principled citizens, a growing number of residential learning communities, first-year seminars on critical thinking, and co-curricular activities. He also founded the President's Leadership Academy, a four-year program that gives students from diverse ethnic and economic backgrounds an opportunity to practice and enhance their leadership skills.

"Few presidents focus their energies on the creation of this type of community, involving students in every step of decision making, and pro-

moting collaboration and close relationships with students, faculty and student affairs professionals," the NASPA said in honoring BGSU's president.

In addition to his focus on the individual student, President Ribeau has made it a priority for the campus to have the latest computer technology for use in research, instruction and communications. He also encourages collaborative outreach efforts and leading research. The nationally recognized Center for Photochemical Sciences is one such innovative area in which BGSU excels. In June 2003, the University received a \$2 million Wright Capital Project grant from the state to create a laboratory that will work collaboratively with business, industry and nonprofit organizations to bring product and process innovations in the photochemical sciences to the marketplace.

Dr. Ribeau is a member of both the Bowling Green and Toledo Chambers of Commerce and serves on the boards of United Way, the Greater Toledo Urban League, the Toledo Symphony Orchestra, the Andersons Inc. in Maumee, Convergys Corp., and Worthington Industries.

Most recently, Ohio Governor Bob Taft appointed him to the advisory board of the state's Third Frontier Commission. The board advises the commission on how best to spend funds from \$1.6 billion Third Frontier Project to create more high paying jobs, recruit world-class research and entrepreneurial talent to Ohio and support applied research to help Ohio companies move products to market. The advisory board also offers counseling on strategic planning, management and coordination of programs administered by the commission.

His numerous recognitions include a 2003 Newsmaker Award from the Northwest Ohio Black Media Association, which honored him for his continued commitment to diversity in education and leadership in the northwest Ohio African-American community, and being named to the Board of Directors for the 2003 Regional Growth Partnership.

Raised in Detroit, President Ribeau received his bachelor's degree from Wayne State University in 1971. He earned master's and doctoral degrees in interpersonal communication from the University of Illinois, Urbana-Champaign, in 1973 and 1979, respectively.

He began his teaching career in 1976 as a professor of communication studies at California State University, Los Angeles. Eight years later, after being honored as an outstanding teacher and student adviser, he became chair of the university's Pan African Studies Department. He held that position until 1987, when he was named dean of undergraduate studies at California State University, San Bernardino. Three years later, he became dean of the College of Liberal Arts at Cal Poly's San Luis Obispo campus. In 1992 he was named vice president for academic affairs at Cal Poly Pomona, a position he held until coming to Bowling Green.

PAUL KREBS DIRECTOR OF ATHLETICS

Paul Krebs was named the 11th Athletic Director at Bowling Green State University on March 15, 1999. Krebs leads one of only 14 programs in the country which sponsor Division 1A football, men's and women's basketball and men's ice hockey. Last year, the Falcon football program achieved their highest ever Division IA ranking, #16, and in 2001-02, BGSU was one of six Division IA schools to win at least eight football games and 24 men's basketball contests.

Krebs has helped bring head coaching salaries in line with other peer institutions and has been praised for identifying and hiring dynamic, young coaches and staff. One of Krebs' first tasks was to maximize the Department's revenue opportunities. Under his leadership, fund-raising and ticket sales for football and men's basketball have increased. Annual contributions to our Falcon Club and scholarship giving has increased, along with the number of scholarship endowments. Under Krebs' direction BGSU has created a state-wide presence with its coaches' shows, seen on Fox Sports Ohio--the first school in the MAC to have such a partnership. In partnership with Clear Channel Lima, the Falcons have created a nine-station radio network. The radio broadcasts for men's football, basketball and the coaches' shows have grown from one station to one of the largest radio networks in the Mid-American Conference. This network provides coverage of Falcon Sports within a 2-hour radius of Bowling Green. Along with the increased strength-of-signal and distribution this new network includes state-of-the-art technology and satellite distribution of the signal.

Krebs fostered a relationship with ESPN Regional Television, which has seen BGSU make 16 appearances in football and men's basketball, including the Falcons' first national television appearance in football since 1992 in 2000 and the Falcon football program will once again appear on ESPN2 this year against Miami. Last year the Falcons made their first national appearance in several years in basketball as part of the Bracket-Buster Tournament. Under his direction, BGSU Athletics now manages all of its radio and television sponsorship in-house and manages its own website (bgsufalcons.com) with OCSN --formerly the FansOnly Network. It is the most heavily trafficked MAC website in the OCSN Network. Under Krebs' direction, licensing is now overseen by the Athletic Department. Since taking over licensing, royalty revenues have increased over 100% and there has been a marked increase in retail presence of Falcon merchandise.

Krebs has helped lead the charge to improve facilities including the installation of permanent lighting at Doyt Perry Stadium in August, 2001; the replacement of all bench seating in Doyt Perry Stadium; the renovation of the hockey locker rooms and new coaches' offices at the BGSU Ice Arena; new bleachers and a press box at Warren Steller Baseball Field; and a new infield and warning track at the school's softball facility. In addition, the Department is gearing up for the University campaign, which will include a significant athletic facility component. Nationally, Krebs has served as a faculty member for the Division IA Athletic Director's Institute. He has presented at a number of national conferences on a variety of topics including athletic facility construction. He served on

the Games Committee for the National Association of Collegiate Directors of Athletics (NACDA) 2002 Pigskin Classic. In addition, he was Meet Director for the NCAA Division 1 Golf Championships in 1987 and 1995 and the Regional Championships in 1993. At the Mid-American Conference level, Krebs has served for three years on the Infractions Committee and also is the chair of the MAC Baseball Committee. He served on the MAC TV Committee that recently negotiated the new TV contract with ESPN.

Krebs is a member of the BGSU President's Advisory Council, Student Affairs Executive Council, Homecoming Committee and has served as chair of Student Affairs' Training and Development. He is chairing the University Automated Ticket Committee and serves on the University-wide advisory committee for web technology. Krebs is involved locally as a member of the Exchange Club of Bowling Green and as a member of the Board of Directors of the American Red Cross Blood Services of Northwest Ohio. He is a member of the Bowling Green First Presbyterian Church.

Before coming to BGSU, Krebs served as the Senior Associate Athletic Director at The Ohio State University since September of 1993. In that capacity he managed the daily operation of the Department. He was the point person in the planning and design of Ohio State's Jerome Schottenstein Center, the Jesse Owens Stadium and the Bill Davis Baseball Stadium. He coordinated the renovation of storied Ohio Stadium and was actively involved in fund-raising and securing corporate sponsorship for these facilities. Krebs arrived at Ohio State in 1985 as the Ticket Director and quickly implemented a new computer program that streamlined the ticket office while improving efficiency. He was named Assistant Athletic Director in 1987. In 1991 he was promoted to Assistant Athletic Director of Administration, a position he held until 1993.

He began his professional career as the Assistant Ticket Director at the University of Oklahoma in 1981 before being promoted to Ticket Director in 1983, a position he held for two years before going to Ohio State. Paul's wife, Marjori, is an instructor in the College of Education and Human Development and an educational curriculum consultant for Partnerships Make A Difference. She is currently pursuing her doctorate in Leadership Studies at BGSU. They have two children, a daughter, Taylor, 14, and a son, Jacob, 10. The Canfield, Ohio, native earned a bachelor's degree in Business from BGSU in 1978 and a master's degree in Athletic Administration from Ohio State in 1981.

The Falcon Club

The Falcon Club at Bowling Green State university brings together the real supporters and true fans of the Falcons.

As a member of the BGSU booster club for athletics, you can be a major player in helping us become the best athletic program in the MAC and CCHA.

BGSU's student-athletes currently bring to the Bowling Green community a dimension of excellence, both academically and athletically, that distinguishes it nationwide. They are leaders both on campus and in the community. Your support will ensure that our student-athletes maintain a competitive edge, while moving aggressively forward.

Vision Statement

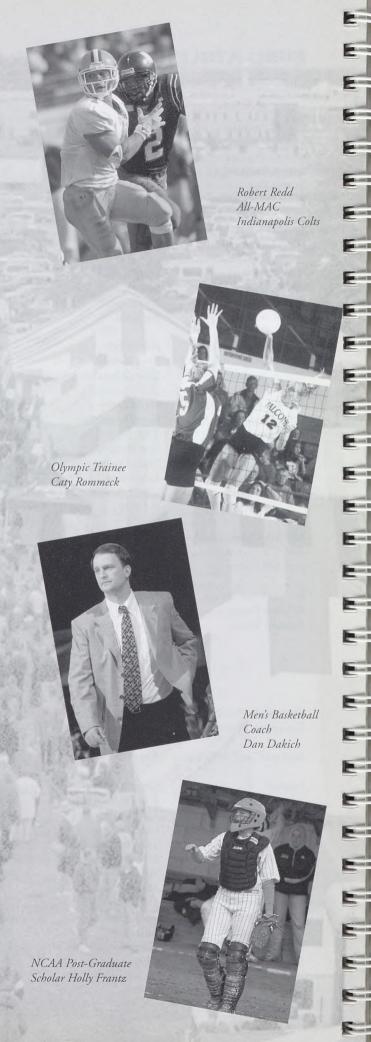

The BGSU athletic department is committed to being a national and community leader, demanding academic and athletic excellence that fosters integrity, pride, respect, tradition and creative innovation.

You Are Our Most Valuable Recruits

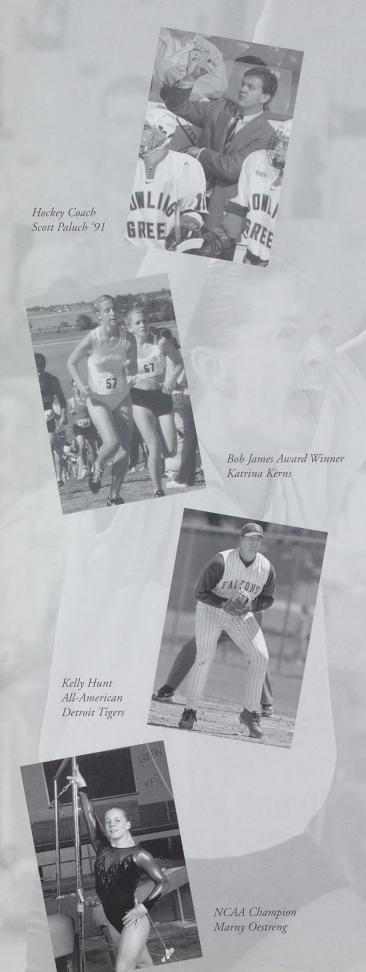

Last year, over 1300 individuals helped Bowling Green State University's student-athletes earn victories on and off the playing field with their contributions to the Falcon Club. 100% of ALL dollars raised by the Falcon Club will be committed to our athletic scholarship program. More than \$4 million is awarded annually in scholarship dollars, but with tuition increases, the need for donor involvement is greater than ever.

- 100% of your Falcon Club contributions can be designated to the sport of your choice for scholarship support.
- All contributions are tax-deductible to the fullest extent allowed by law.
- A cash designation of \$1,000 or more to any one sport entitles you to exclusive Coaches' Corner involvement in that sport. You will also receive periodic updates on your sport and invitations to special events.
- Double or even triple your Falcon Club gift if your employer has a matching gift program. Check with your personnel office.
- Take advantage of the ease of credit card gifts. Your membership contribution can be paid annually or monthly with Visa, MasterCard or Discover.

Each year over \$4 million is required to fund the educational needs of Bowling Green State University's student-athletes. Endowed scholarships provide a base of support that lasts forever and grows annually. Endowed gifts are invested by the BGSU Foundation Board of Directors and have enjoyed an impressive earnings average, a leader in the nation.

Endowments Fuel Falcon Athletics

In accordance with the Foundation spending guidelines, 5% of the principal is applied each year to scholarship and the remaining earnings are reinvested into the pool. Currently we have over \$2.2 million in our endowment pools. This provides yearly, spendable earnings of more than \$110,000 for our student-athletes education.

Gifts may be donated to current endowments or be set up for specific sports with structured criteria. The endowed scholarship is often established in honor or memory of individuals. Consider supporting Falcon Athletics with a gift that will last a lifetime and reach countless deserving student-athletes. For more information on the Falcon Endowed Scholarship Program contact Scott Seeliger, Associate Athletic Director for Development at 419/372-7064 or Email to scottws@bgnet.bgsu.edu
